58BW HI Casement Window

HIGH PERFORMANCE SOLUTION

An effective high performance solution - Offering clean lines and advanced functionality for both new build and residential replacement applications. This window system is available in a range of configurations from Casement, tilt-before-turn and top-swing-reverse.

DESIGN FEATURES

- Certified under the Secured By Design scheme
- Tested to PAS 24
- Green Guide Rated A
 - Integrated deep head profiles for ease of trickle ventilation
- Unique polamide thermal break design to improve thermal performance

OPTIONS

- 58mm frame depth
- Project in or project out options
 - Internally or externally glazed to accommodate low or high rise projects
- Glazing 24mm - 40mm
- Available in a range of single or dual colours, and anodised finishes
- Available for Lifetime Homes (LFT)
